Dear USA Cabinet,

On behalf of the Board of Directors of the Big Brothers Big Sisters Greater Fredericksburg, I want to thank you for supporting Jackie Baker in our Bowl for Kids' Sake Fundraiser! Your contribution of \$250.00 ensures more Bigs and Littles can be paired up, more friendships can be gained and improved outlooks on life can be started.

With this donation, you are helping to fund relationship building, thoughtful mentoring and empowering potential. You help us match one adult with one child and support that match at every stage.

When Big Brothers Big Sisters and donors like you join together, we defend the potential inherent in all children and help them achieve their biggest possible futures.

We are thankful for your gift and inspired by your commitment to stand with us as we strengthen our community by providing support, understanding and growth for local children.

With gratitude,

Michelle Hedrich
Executive Director
